

Theme: Worship & _____!

Text: **Malachi 3: 16 - 4: 6; Matthew 10: 16 - 33**

The overall theme of the Book of Malachi is God loves the Israelites so deeply that _____ them for their errors in the context of worship! We have noted that _____ is found in the midst of injustice [**Malachi 2.17-3.5, 13-15**]. But the faithful children of God need to _____ in the midst of unbelief, doubt & hopelessness till the end [**Malachi 3.16-17**]. God's final words for His people is to stay focus, faithful & firm because God's discipline & true love for all remains unchanged! _____ His people by restoring the lives of His people who will fulfill His destiny (see **Malachi 4.6a**: "_____ the hearts of the parents to their children, and the hearts of the children to their parents;")! Thus our worship is designed by God where we are also to _____ as in the manner He had loved them.

1. Stay _____ (Malachi 3.16-18)

2. Stay _____ (Malachi 4.1-3)

3. Stay _____ (Malachi 4.4-6)

Reflection & Application:

1. Do we truly believe that the Bible is really God's Word today? How convince are we that the Bible is the most relevant Book today in our lives. How is our Bible reading?
2. Are we able to stand up strong in relation to cultural traditions and beliefs which are not of God in Sandakan? What must we faithfully do in practicing the principles & truth of the Bible in every aspect of our personal life and interpersonal life?

Message from our Senior Priest

Youth! Ps Tan Seow How said, "***We need to believe in them before they become champions!***" [You can find it in this site @ <https://www.youtube.com/watch?v=Nu3liZmLtgA>].

I was struck with that statement & concept when I first heard it in KK on 20 May 2019 while in fellowship with another Priest. Believe it or not, it was highlighted that Ps Tan's concept was used among our Young people at COGS! When I heard about it, I was so thrilled, excited & fired up! But am not sure how to go about it, turning concept into reality of believing in our young people before they become champions! Then, during the closing night of the BM Youth Conference, when Archdeacon Yong resurfaced it, it hit me indeed! What is more is God's presence was so tangible! And surely God touched many who came forth in need of God's fresh anointing upon them! I am sure I am not the only one who sense the warmth & love of God's touching all who responded! Then, the young people was given the opportunity to take what God had to offer! They were challenged to response to give their lives wholly for God, that is to serve the Lord all their lives disregard of their profession! Many of them came up!! What was more exciting was the final call for responding towards God's call for serving Him on a full time basis. The Lord moved about a dozen of them! I still remember that they were asked to go up onto the stage for prayer ministry! This to me is God's punch line for our young people who dedicated their lives to take on the baton to continue the race through God's ministry!

The basis of Ps Tan Seow How's belief has a Biblical basis for such move of God. It is found in the last verse of the Book of Malachi: "***He will turn*** the hearts of the parents to their children, and the hearts of the children to their parents;" (**Malachi 4.6a**)! What a revelation! It is God's movement and not man's. It is God's preordained time especially in this Season of Realignment at COGS. I would like to make an appeal to our parents with all leaders of COGS to give a full support towards both the Children, Youth & Young Adults Ministries. Let us completely believe in our children & youth NOW before they become champions! It was also commented that they are ***NOT leaders of tomorrow but TODAY!*** This is one area where we need to realign ourselves with God's movement of turning our hearts towards one another! Let us also believe in ourselves that God will use the current generation now to usher in the next generation of up-coming leaders today.
