

THE ANGLICAN DIOCESE OF SABAH

The Church of The Good Shepherd

Weekend Worship Service: 09 June 2019

Message from our Senior Priest

This week, I would like to remind us all the seasonal theme of COGS! Surely we all need to find out in which area of personal life that needs to realign with God's assignment. Just over 3 months now since we launch the theme of *Season of Realignment* during our 2019 AGM! It is important to realize that as long as we are coordinating our lives alongside with God, surely there are many things that we need to adjust and reprioritize. This will be the reason of restructuring and reorganizing ministries and administrations of COGS. For example, the role of Priest in-Charge and all the Staff. When I first came, I thought it only takes 6 months' time to reform the Administration of Church Office. But now, I realize it needs more time before a proper administrative system can be set up thoroughly to run efficiently and effectively. But the season is now! If not, the old mindset set in and it will be difficult to change for the benefits and goods of all. Having receiving clear information & instructions from the PCC Exco, as the In-Charge newly appointed by Bishop, it is my responsibility to get into the process of revamp.

Now COGS as God's Body of Christ here in Elopura region of Sandakan needs to realize what is God's season for this next 2 years (2019-2020)! To do that, let us learn from one of Jacob's sons, Issachar (see *Genesis 49:14-15; 1 Chronicles 12:32*). First, the tribe of Issachar was described as men of *discernment with far sightedness* of the goods of the land. Second, they were men of *knowledge & understanding of times and seasons*! It is important to take note of their roles who knows the political times and public affairs so that they can advise King David what Israel should do as a proper response to the situation of the time. Issachar also carry leadership and servant-hood responsibilities (see Judges 5:15). So this call for all members of COGS to start by asking God to review our lives and the ministries and responsibilities that have been entrusted to us to see which requires understanding of God's time & season. What are the areas we may have to make changes and formulate new strategies so that God's will be done in COGS as in God's kingdom! We cannot afford to move forward with the same mentality thinking that business as usual.

Meanwhile, in preparation to realign with God, I like to inform all to take note that in God's plan & timing, we will be conducting **A.A.A. Seminar (that is Awakened, Aligned, Assigned Seminar) from 30-31 August 2019 at COGS** here. It will be conducted in 3 languages (English translated into Hakka/Mandarin concurrent for BM via radio FM Transmitter Mini Radio Stereo system through mobile phone's radio app. More information is coming forth & therefore, pray & prepare to realign ourselves so to find real meaning in our lives and ministries for God's glory in Sandakan & beyond.
