

Theme : **Misalignment # 1: Failure to _____!**
Text : **1 Kings 9.1-9; Matthew 4.1-11**

God's _____ to Solomon (**1 Kings 9.2**) reveal another _____ of Himself as a conditional promise keeping God! The God of covenant keeps His promises always with condition & there is a reason: that we also remember _____ our side of the covenant. In other word, it is _____ by executing what we have committed to do! From Israel's historical record, it has shown how _____ from God's purposes & plans again & again! Whenever we misalign with God, just remember _____ by the following points:

1. God _____ His promise (**1 Kings 9.1-5**)

2. God _____ His people (**1 Kings 9.6-9**)

Reflection & Application:

1. Please share your personal reading of the Bible. What are some of your difficulties to follow the Bible Reading Plan?
2. What do you think is God's purpose reminding Solomon (see **1 Kings 9.4-5**) for what God had said to him more than 20 years ago (see **1 Kings 3.14**)? Read (**John 14.15; 21-25**). Do you think Jesus also wants us to love Him & read His word today? If yes, what must you do today?
3. What must be the motive for us to worship the Lord? How can corporate worship help us to become more like Jesus?

Weekend Worship Service: **06 October 2019**

Message from Our Senior Priest

We are at the beginning of the 4th Quarter of the year & in a twinkle of an eye, 2019 is coming to its end! Surely time flies past pretty fast nowadays. However, an important question that needs to be asked: **HOW DO I FEAR IN GOD'S EYES IN TERMS OF FULFILLING HIS ASSIGNMENT?** How has God shaped us so far in the process of learning & growing to become more like Jesus? How are we doing in term of reading the Bible? How about our personal conversation with the Lord? What about our family life? Are we clearer with God's purpose through God's word, the Bible? Are we loving God & people more and more?

It is necessary to do continuous reflection of what the Lord is saying to us individually & corporately. For all who have attended the Awakening Archippus Seminar recently, surely you are stirred up by God. Continue to stay focus on what the Lord has awakened you to do! For the Lord will do different things in each of us individually. Know what areas have the Lord showed you that He wants to work in you so that you can work out your salvation **with fear & trembling** (see **Philippians 2.12-13**)! Paul specifically spelled out how we should work out: **WITH FEAR & TREMBLING!** What did Paul mean? To "work out our salvation" means **to do all that is to be done, and persevering therein to the end**. And "with fear and trembling", means to work **with great care and circumspection** (see **Hebrews 4.1**: "Therefore, since the promise of entering his rest still stands, **let us be careful that none of you be found to have fallen short of it.**") The word 'Fear' means out of reverence for God, a great guard and preservative from falling into various forms of deceptions & lies of the evil. For that very reason, as your Senior Pastor under God's appointment now at COGS Sandakan, I urge everyone to start looking at our own relationship with the Lord Jesus Christ to see if we are still working out our salvation with fear & trembling. Make it a personal goal that as Archipusses of Sandakan, awakened by God to the Lord's ministry will continue to align with the Lord so to fulfill the Lord's ministry here in Sandakan & beyond (see **Colossians 4.17**) before end of 2019!

Please start to see how you make use of the final 3 months of this year to evaluate our own relationship & journey with the Lord. For all who have been awakened, continue to check your alignment. I am still keeping in touch with Ps Henson Lim for my own journey as Archippus here in Sandakan. That I may keep working on God's actual assignment for me at COGS, Sandakan. Let us also work out together with God's grace for God's glory! Keep it up Archipusses of Sandakan!

- Canon James Lee
